A. INTRODUCTION.

1.0 GRIDCO Limited carried on the business of transmission and bulk supply of electricity and other related activities under an exclusive license issued by Odisha Electricity Regulatory Commission. Consequent upon enactment of Electricity Act, 2003, the transmission related activities of the Company were transferred and vested with Odisha Power Transmission Corporation Limited, a wholly owned undertaking of the State Government through Odisha Electricity Reforms (Transfer of Transmission and Related Activities) Scheme, 2005 with effect from 09.06.2005. After separation, GRIDCO Limited is presently engaged in business of bulk purchase and bulk sale of power to the four Distribution Companies inside the State and trading of surplus power through traders to promote exchange of power with neighboring States in the country.

2.0 With primary objective for creating an environment for harnessing maximum potential of Renewable Energy in the State through Govt., Private sectors and individual efforts, the Odisha Renewable Energy policy, 2022 has been notified on 30.11.2022.

The Odisha Renewable Energy Policy '2022 envisages Govt. of Odisha to promote innovations in renewables and also committed to be at the forefront of RE adoption in the country.

For implementation of the RE Policy, Govt. of Odisha has notified GRIDCO Limited as Nodal Agency vide notification no. 12284 dated 15.12.2022.

3.0 GRIDCO invites expression interest from the applicants, who are interested to offer/give required land on lease/sale basis to solar power developers for setting up of solar power plant (s) in Odisha (here in after called the "State"). As per the requirement of the GRIDCO , the applicant shall be empanelled to provide their land (s) to solar power developers on long term lease of minimum 30 years/sale basis.

4.0 The purpose of inviting this EOI is to identify the applicants who are interested in Leasing/sale of their land for setting up of solar power plants in the State. In case any successful solar power developer as selected by GRIDCO is willing to purchase/lease out land for its Project, it may contact any of the empanelled land owners/aggregators for further process of land acquisition. The selected developers will require either to purchase the land outright or take the same on lease (on mutually agreed terms) from the land owners. Also, they are free to source land of their own to develop the solar projects. Further GRIDCO shall not have liability/responsibility in the transaction between solar power developers and land owners irrespective of the outcome of the deal.

- 5.0 GRIDCO's role in this process is that of a facilitator to gather information from aggregators/ owners on land available, which shall be shared with prospective developers as part of a separate RfS to be released for solar plants. GRIDCO won't carryout any evaluation (financial, legal or technical) of the land being offered under thisEOI “ for sourcing of land from prospective landowners/Aggregators for lease/ sale of required land to solar power developers for setting up of solar PV projects in Odisha”. Land acquisition shall be totally in the developer's scope, who may opt to source land of their own as well.
- 6.0 GRIDCO is exploring the possibilities for setting up of solar power plants in the state through interested developers. Therefore, GRIDCO invites bids from Private Land Owner/ Land Aggregators/ Registered Farmer Producer Organization/ Entrepreneurs/ Sole Proprietorships / Partnerships / LimitedLiability Partnerships / Consortium / Companies / Cooperative Societies / Technology Providers / Registered NGO/ Registered trust/ Government Agencies/Government Companies/ Public Sector Undertakings (**herein after called as the “Applicant”**) for Leasing/procurement of land of minimum **20 Acrescontiguous land** in a single location. In case it is leased, the lease agreement shall be signed with applicant for minimum 30 years. The applicant can submit their bid/application for multiple locations, provided that the land is of minimum area of 20 acres at eachlocation, subject to fulfilment of technical requirement as mentioned in said document for Lease/Sale of required Land to Solar Power Developers for Setting up of Solar Power Plant(s) in Odisha.
- 7.0 The aim of this EOI will be to identify suitable land parcels required to develop the solar plants in advance, so that detailed information of available land could be shared to give comfort and confidence to the prospective Solar Project Developers.
- 8.0 The validity of an offer to sale or lease out land is kept as 365 days from the date of opening the bids. However, GRIDCO at its own discretion may request an applicant to increase the validity period of the offer beyond stipulated 365 days with prevailing terms & conditions of the tender. GRIDCO shall not have any liability, including financial, arising due to extension of the offer validity by the applicant.
- 9.0 The complete EOI Documents are available on GRIDCO's website <http://www.greenenergyinvest.odisha.gov.in, www.gridco.co.in>. Accordingly, the online bids have to be emailed by the respective applicants to **renodalagency@gridco.co.in**, clearly mentioning the subject as **“Response to EOI for Sourcing of land from Prospective Land Owners/Aggregators for Lease/Sale of Required Land to Solar Power Developers for Setting up of Solar PV Projects in Odisha.**

- 10.0 A Single Stage Two Envelope selection procedure will be adopted and will be processed as detailed in the EOI.
- 11.0 Applicants should submit their proposals with hard copies and online mode in all aspect on or before last date and time of EOI Submission as indicated in the EOI Information Sheet. **In the event of any date indicated is a declared Holiday, the next working day shall become operative for the respective purpose mentioned herein.**
- 12.0 ***GRIDCO reserves the right to cancel/ withdraw this invitation for bids without assigning any reason and shall bear no liability whatsoever consequent upon such a decision.***

B. TECHNICAL SPECIFICATION OF LAND PARCELS.

The land parcels proposed under the EOI should meet the following requirements:

- a. The applicant shall have right, title, and interest over the offered land and it should be in his/her actual physical possession free from all encumbrances. D. EVALUATION OF PROPOSALS AND SELECTION OF APPLICANTS FOR EMPANELMENT.

Proposal evaluation will be carried out considering the information furnished by the Applicants. The detailed evaluation and selection process is described hereunder.

PART-1

1. Techno-Commercial Evaluation of applicants (First Envelope)

- i. The technical proposals of only those applicants will be opened by GRIDCO whose required documents are received on or before due date of bid submission. Documents received after the bid submission due date shall be rejected outrightly and returned unopened without any liability.
- ii. During the evaluation process of eligible applicants, GRIDCO may seek clarifications/additional documents from the applicants. Applicants shall be required to respond to any clarifications/additional documents within 7 days from the date of such intimation from GRIDCO. All correspondence in this regard shall be made through online mode (**email**) only. It shall be responsibility of applicants to ensure the working functionality of their email IDs.

PART-2

2. Price Bid Proposal Evaluation (SECOND Envelope)

- i. Second Envelope (Containing Price bid) of only those bidders/applicants shall be opened whose technical bids are found to be qualified. Prices are to be submitted in the form of INR/Acre. The quoted price shall include all commissions, if any and will be exclusive of applicable taxes, stamp duties and registration charges.
- ii. The evaluation of land shall be done district wise for each substation of DISCOM/OPTCL, based on criteria mentioned in the technical specification above. In case the applicant is willing to lease the land (in INR/acre) annually, the same shall be mentioned in the price bid.
- iii. Thereafter, for each DISCOM/Zone, the applicants will be ranked in ascending order, starting from the L1 price, i.e. the lowest of Sale/lease price in INR/acre.
- iv. The Applicant including its Parent, Affiliate or Ultimate Parent or any Group Company shall submit their proposal by offering an average cost for each land parcel. Shortlisting of parcels will be done based on their respective price quoted in price bid format. The Price has to be quoted up to two places of decimal only. If it is quoted with more than two digits after decimal, it shall be ignored after first two decimal places. (For e.g., if the quoted Price is INR 4.056 lakhs/Acre, then it shall be considered as INR 4.05 lakhs/Acre only).
- v. To ascertain applicants' ultimate ranking, all the applicants are required to mention the nearest distance from DISCOM/OPTCL substation.
- vi. If the quoted price is same for two or more Bidders for a particular project, then all the Bidders with same quoted price shall be considered of equal rank/ standing in the order.

E. SELECTION METHODOLOGY.

The evaluation of land shall be done district wise for each substation of as mentioned in Annexure-1 based on criteria mentioned in the technical specification above. All the applicants whose technical and price bids are found to be in order, will be empanelled by GRIDCO under the EOI.
